

March 2026

Dockside

CHATTER

Did You Know?

The Taunton Yacht Club sits on one of the most historic stretches of the Taunton River? Founded in 1895 on the site of a 17th-century shipyard, the club overlooks the longest undammed coastal river in New England—a tidal waterway known for its wildlife, scenic sunsets, and deep-water access straight to the ocean. It's one of the few places where centuries of maritime history and modern river fun meet at the same dock.

The Newsletter

Commodore's Corner

Hello all, and welcome to the TYC 2026 season!

It's been quite the winter, and I hope everyone has made it through the storms safe and sound, with no property damage. As soon as the snow clears and the mud dries up, it will be boating season once again.

The Dock Committee has planned for docks-in on Saturday, April 4th. If you've helped before—or have always wondered how it's done—please come down and lend a hand.

I'm looking forward to seeing everyone at the St. Patty's Day Dinner. It's always a full house and a great time. If you can come by and help the Friday before (March 13th at 6 PM), we'll be peeling veggies and getting the club set up. Please bring a peeler, knife, and cutting board.

As always, if you have ideas, thoughts, or concerns, please reach out to me. It's your club—let's make it the best it can be!

Looking forward to a great season together!

Scott Creesy, Commodore
